 - Do you meet the language requirements listed in the job posting for the position (English or French)?

What might be required by the employer later in the hiring process:

- Proof of the requested certifications

Green job

The employer stated that this position is a green job, because it involves tasks and responsibilities contributing to positive environmental outcomes and helping Canada achieve its net-zero target.

Underrepresented groups are encouraged to apply! Please note that this position is targeted at Canadian citizens and permanent residents; foreign nationals will be considered only if we do not succeed in recruiting Canadians and permanent residents.

Weatherguard Metals Ltd. promotes equal employment opportunities for all job applicants, including those self-identifying as a member of these groups:

Support for newcomers and refugees

- Assists with immediate settlement needs of newcomers and/or refugees (for example: housing, transportation, storage, childcare, winter clothing, etc.)
- Recruits newcomers and/or refugees who were displaced by a conflict or a natural disaster (for example: Ukraine, Afghanistan, etc.)
- Supports newcomers and/or refugees with foreign credential recognition
- Offers mentorship programs that pair newcomers and/or refugees with experienced employees
- Does not require Canadian work experience

Support for youths

- Participates in a government or community program or initiative that supports youth employment
- Offers mentorship, coaching and/or networking opportunities for youth
- Provides awareness training to employees to create a welcoming work environment for youth

Support for Indigenous people

- Offers mentorship, coaching and/or networking opportunities for Indigenous workers
- Develops and maintains relationships with indigenous communities, indigenous-owned businesses and organizations
